Incentives: An incentive program to encourage reporting of butchering weights and milk tests was discussed. It was felt that there should be three does on milk test or three animals butchered and the reporting would give the member free membership for the following year. All were in favor of doing so. The milk test is to follow ADGA standards.

Incentives for a published article were discussed and voted down.

Shows. The board discussed ways to encourage shows.

All board members should try to follow Kinder Folks and help comment when appropriate.

Reminders that dues are due January 1st and considered late the end of March will be sent out by the secretary in February.
