Show Classes

Showmanship

Showmanship Division classes are available to any exhibitor who is at least five years of age and who wishes to compete based on his/her abilities as a showman, not on the conformation of his/her animal **or if the animal is clipped or unclipped.**

The animal's condition and show ring behavior will be evaluated.

Only does and wethers may be shown in Showmanship Division classes.

An official KGBA Judge shall judge exhibitors or a KGBA approved ADGA, AGS, or NPGA Judge. Judging shall be done according to the KGBA Showmanship Guidelines and Scorecard.

Attire for Showmanship classes shall be either white clothing with no logos on the shirts or white shirts with no logos and black pants or skirts. No tight fitting clothing, tank tops, short-shorts or open toe shoes will be permitted.

Exhibitors Ring Procedure

Be sure that all information given to show officials is accurate and complete to the best of your ability.

Always keep the pens, walkways, and animals as clean as possible.

Arrive at the show ring prior to the scheduled or announced competition time, be prepared and ready to go.

Once in the ring, always move in a clockwise direction unless otherwise directed by the judge.

Always keep your goat positioned between you and the judge.

Use a short lead or collar on the goat, keeping the head held high. If carrying a lead keep it close to the neck, carry the lead in the hand closest to the goat.

Keep at least 18 to 24 inches between you and the goat in front of you at all times. Do not lag behind and cause congestion when circling the ring. Keep your animal under control at all times. If an animal in front of should stop or the handler is having difficulty with the animal, pass the animal as inconspicuously as possible on the side closest to the judge.

When the judge asks you to set your goat, have it stand squarely on four feet as naturally as possible.

If the judge asks you to walk your goat beside another goat, try to pace your animal with the other goat. If the other goat stops, wait for it. When you reach the point at which the judge is standing, or the point at which he/she directs you to turn around, turn the goat toward you and walk in the opposite direction until the judge instructs you to return to your place in line.

When the judge directs a change of positions in head-to-tail formation, lead your animal in front of the line of goats to the place designated. The adjacent exhibitors should move their animals to accommodate the exhibitor being asked to relocate his/her animal.

In a showmanship class, when the judge asks you to exchange animals with another showman, hand the lead of your animal to the showman beside you, walk behind the line of goats to the designated animal, and take that animal's lead or collar. The showman relieved of his/her animal should also walk behind the line of goats to the free animal and take its lead.

Always be inconspicuous as possible. There should be no unnecessary conversation in the ring.

Be aware of the judge and your animal at all times. Always respond to the judge and show officials promptly and with courtesy and respect. Answer all questions promptly and completely. (If you don't know the answer, do not hesitate to say, "I do not know, sir/ma'am.")

Be familiar with the KGBA Rules and Regulations to keep the show running smoothly and efficiently. Bring only healthy animals! Do not expose other animals to illness and disorders.

Does and bucks shall be judged according to the Kinder Goat Breed Standard and Scorecard Sheet.

Judges shall make awards according to the merit of the animal in any classes in which there is no competition.

Group Classes
