SHOW COMMITTEE

Ashley reported that Suzi Slate posted information about a possible show in Tennessee to be held on March 15, 2025. Ashley reached out to Suzi for more information but has not received a response as of today.

Kim reported there is a show planned in Ohio in June, 2025. Lisa LaRose added show information as well. The annual show at the Missouri St. Fair is planned for 8/16/2025. The only concern per Kim is if there will be judges available.

NEWSLETTER UPDATE:

Kathrin reported the recent newsletter went out and she was excited to include customizable forms for members to print and use. The newsletter committee welcomes ideas and content for upcoming issues, especially educational articles. Lisa Lamm agreed.

EVALUATION COMMITTEE

Ashley reported that Lisa Lamm is hoping to attend every Kinder show to offer evaluations for those who are interested. Ashley is considering a route for Lisa Lamm in the Tennessee region, near the show in March. Ashley will reach out to local breeders in that area to determine a level of interest and develop a suitable route. Lisa Lamm reported she is ready and excited to get going with the evaluation season.

YOUTH DEVELOPMENT:

Kim reported the scholarship flyer will be going out again for any youth members interested in applying. Kim added it was nice to see applicants from areas outside of Ohio and she would like to reach out even further this year. The applications have been much more detailed, which was very nice to see. Stephanie added there has been an increased level of interest in this program.

BUDGET COMMITTEE

Ashley reported the budget committee would be formed at this meeting due to possible conflicts with Board members' kidding calendars in February. The budget committee for 2025 will include

Ashley

Lisa LaRose

Kathrin

Ashley requested any outstanding receipts be submitted for payment asap. Also, any budget requests for 2025 should be submitted as early as possible. Lisa LaRose reported she would create a generic budget, similar to what she always starts with, and that budget proposal can be amended as needed. Costs are increasing and the budget may reflect that.

There were no additional reports, no further business and no additional questions or comments.

The meeting adjourned at 1757
