Reports of officers, boards and committees

A. Show committee update

The NEO kinder goat show is planned for May 31/June 1. Judges are secure. Kim has the final Fair bill from last year, so she will email the show costs to all... just to show the ins and outs, as far as costs and show income. This will be from last year. Kim will be getting paperwork to kelsey and everything posted for the show. John James has asked if he can have the banners sent back his way.... he has still been functioning as the keeper of those items. He suggested we ask someone from the Kinder Bender Show, maybe Susie to put together an article for the next newsletter about youth participation and such at their show. He also said if anyone needs an additional items printed for promotion and such, he hasn't requested any funds, because no

one has requested materials.

B. Newsletter committee

Kathrin reported that the spring newsletter is at the designers getting the layout done and will hopefully be printed and in the mail within a week.

C. Evaluation committee

Ashley reported that Lisa Lamm had to skip the TN show due to the storms going through the area. The plan is to recreate this route from MO to IL, TN and KY. I think this will work out even

better and we can include more herds. And, it's still a little early for people kidding, so more

people will have more does in milk to evaluate!

D. Youth development committee

Kim will be editing the promotional flyer for the youth program and submitting it to be posted.

E. Budget committee

The proposed budget for 2025 was reviewed and discussed, line item by line item, by all KGBA board members. After thorough discussion, the budget proposal was passed by unanimous

decision, with every board member voting in favor.

F. Nominating committee

No new report

G. Promotional committee

No new report

H. Special orders: none

There were no additional reports, no further business and no additional questions or comments.

Motion to adjourn meeting:
